

## The Complete Design Room Service

Launch Initiative prides itself on supporting aspiring and established fashion designers. Whether you are just starting out or have a pre-existing fashion label we have a service for you.

Launch Initiative knows just how hard it is to find and coordinate all the aspects needed for a successful fashion label.

Attempting to find good and reliable people across Sampling, Patternmaking, PR, Marketing and Sales is one of the major challenges that all labels face every day.

Which is why Launch Initiative has brought them all under one single roof for you. Now you can bring your simple sketch or illustration to our offices and watch it come to life.

### What can we do for you?

With over 100 years of combined experience the Launch Initiative team offers the complete design room service; from the early stages of design, to sampling, production, marketing and sales.

Call our office on (02) 8014 8460 to book a free consultation.
